WORK EXPERIENCE

Freelancer – Nairobi, Kenya

City: Nairobi | **Country:** Kenya

Web developers

[05/02/2024 – Current]

As a freelance web developer, successful collaboration with diverse clients and internal teams was instrumental in distilling project requirements and translating them into visually appealing, highly functional, and responsive websites. Given my expertise in both frontend development, I was able to create intuitive websites optimized for performance and, SEO aligned with the unique objectives of each client.

Key Responsibilities:

Collaborated with clients and internal teams to understand project requirements and translate them into functional and visually appealing websites.
Leveraged my expertise in frontend and backend development to create responsive and user-friendly websites optimized for performance and SEO.
Customized WordPress themes and integrated plugins to meet specific client needs, ensuring seamless functionality and easy maintenance.
Employed best practices in web development, including clean code, accessibility standards, and cross-browser compatibility, to deliver high-quality solutions.
Provided ongoing support and maintenance to clients, addressing issues, implementing updates, and optimizing website performance over time.

Teleperformance Kenya – Nairobi, Kenya

City: Nairobi | **Country:** Kenya

Content Moderation

[01/09/2024 – Current]

In the role of content moderation, I focused on maintaining platform standards, addressing violations, and fostering a safe and engaging online environment.

Key Responsibilities:

Reviewing user-generated content to ensure compliance with community guidelines and policies.
Monitoring platforms for offensive language, graphic images, or any content that violates rules.
Implementing filtering mechanisms to mitigate inappropriate content.
Taking swift action to remove or flag content that breaches guidelines.
Providing support and guidance to users on acceptable content practices.
Collaborating with cross-functional teams to develop and refine moderation strategies.

Majorel Kenya Limited – Nairobi, Kenya

City: Nairobi | **Country:** Kenya

Content Moderation

[06/03/2023 – 02/08/2024]

As a Content Moderator at Majorel, I play a pivotal role in ensuring a safe and respectful online environment by acting as the guardian of community guidelines and policies. Content moderation is akin to being the bouncer at the internet's nightclub—reviewing, monitoring, and managing user-generated content to maintain the integrity of the platform.

Key Responsibilities:

Reviewing user-generated content to ensure compliance with community guidelines and policies.
Monitoring platforms for offensive language, graphic images, or any content that violates rules.
Implementing filtering mechanisms to mitigate inappropriate content.
Taking swift action to remove or flag content that breaches guidelines.
Providing support and guidance to users on acceptable content practices.
Collaborating with cross-functional teams to develop and refine moderation strategies.

Why Content Moderation Matters:
Content moderation is more than just filtering out undesirable content; it's about fostering a positive online community where users feel safe and respected. By maintaining a vigilant eye on content, we contribute to the creation of a welcoming digital space where diverse voices can thrive without fear of harassment or abuse.

Yero designs – Addis Ababa, Ethiopia

City: Addis Ababa | **Country:** Ethiopia
